

Turn2Us Grant Search – Quick Guide:

Please note: most grant schemes need a referral from Citizens Advice so always check this before applying. If you need a referral from us, call us on: 0808 278 7919

1. Access the grant search by going to: <https://grants-search.turn2us.org.uk/>

The screenshot shows the Turn2Us website homepage. At the top, there is a navigation menu with links: 'Your Situation', 'Get Support', 'Support Us', 'Working With Us', 'About Us', 'Login', and 'Register'. A search bar and a 'Donate' button are also visible. Below the navigation is a hero section with four main service tiles:

- Check your benefit entitlement:** Millions of people are missing out. Check what you are entitled to now. Includes a link to 'Use the Benefits Calculator'.
- Search for a grant:** There are many grants that provide financial support to people who need it. Includes a prominent orange button for 'Use the Grants Search'.
- Energy and Water bills:** Find out what benefits, grants and other schemes may be available to you. Includes a link to 'Energy and Water bills support'.
- Other information and support:** Find out what other financial advice and support is available. Includes a link to 'Information and support'.

Below these tiles is a section titled 'Options for your situation'.

2. Enter your postcode, gender and age (This will filter out relevant grants available to the you based on these answers)

The screenshot shows the 'Search for grants' page on the Turn2Us website. It features the Turn2Us logo and navigation menu at the top. Below the header, there is a section titled 'Search for grants' with the following text:

Charitable grants **do not have to be paid back**.
 Many charitable funds **will** help people who have No Recourse to Public Funds - and cannot claim welfare benefits.
 To get the best results please use the occupation, health, and other categories at the top of the first results page.

Below this text is a form titled 'Search for Grants' with a '* Required field' indicator. The form includes:

- A text input field labeled 'Enter full UK postcode *' with a red asterisk icon to its right.
- A radio button option labeled 'Or do you live:' with a sub-option 'Overseas'.

3. Click 'Next' at the bottom right of the page to see initial results based on age, local area and gender. Further categories will be available to select. These include:

- Occupation:

Your line of work/industry may have specific grants to people in your particular field/job role

- Health:

Your health conditions/disability may provide more potential sources for grants. Some grants are condition specific, so the grants search allows you to select multiple health conditions

- Energy and Water Providers:

You may pick from a list of energy and water providers to see if any charitable grants, support funds or cheaper tariffs are available

- Religion:

Some grants are only available to a certain religion or are only available from a religious group of a certain type or for specific aims the religion is trying to achieve with its grants

- Nationality:

Your nationality may be part of the criteria for a grant

The screenshot shows the turn2us website interface. At the top, there is a navigation bar with links: 'Your Situation', 'Get Support', 'Support Us', 'Working With Us', 'About Us', 'Login', and 'Register'. A 'Donate' button is on the right. Below the navigation bar, a question 'What do these categories do?' is displayed above five icons: a building for 'Occupation', a cross for 'Health', a water drop with a lightning bolt for 'Energy and Water Providers', an open book for 'Religion', and a flag for 'Nationality'. Below this, it says 'We found 2 results' and includes a checkbox for 'Email me the link to these results'. A search bar with the placeholder 'Keyword search...' and a 'Search' button is present. At the bottom, there is a link for 'Friends of the Animals' and a 'Chat Now' button.

4. Once a particular category has been selected and grants that might be available to you are listed, click on 'Find out more' on any of the relevant grants available

The screenshot shows the turn2us website interface. At the top left is the 'turn2us' logo. A navigation menu includes 'Your Situation', 'Get Support', 'Support Us', 'Working With Us', 'About Us', 'Login', and 'Register'. A 'Donate' button is in the top right. The main content area displays two grant listings. The first is for 'Friends of the Animals', with a description: 'Friends of the Animals is a charity that offers reduced cost spaying and neutering of animals at more than 20 vets in the West Midlands and several vets in Portsmouth, Southampton and on the Isle of Wight. Occasionally, it helps with the cost of other veterinary treatment as well. Please note: Friends of the Animals cannot help with veterinary debts.' A 'Find out more' button is highlighted with a red box. The second listing is for 'The W E Dunn Trust', with a description: 'Individuals should NOT apply directly. Instead, a professional, such as a social worker, should apply on their behalf.' and 'Small one-off grants for people who are in need and live in the Birmingham area, the County of Warwickshire or the surrounding counties.' A 'Chat Now' button is visible in the bottom right corner.

5. When a grant is selected, further information about what the grant is used for, the eligibility criteria for the grant and how to apply will be available.
